

Laguna Creek High School Parent Teacher Student Organization

2017-2018 PTSO Membership Donation

The Laguna Creek Parent ~ Teacher ~ Student Organization (PTSO) is non-profit organization comprised of an all-volunteer staff that meet monthly during the school year to support the Cardinal community. Our primary focus is to promote a beneficial and positive relationship between LCHS students, parents, faculty, and staff. In the past years PTSO has contributed to bring your parent and guardian to lunch, on campus ice cream socials, DJs and music during lunches, supported clubs and organizations with guest speakers, to include donations, and annually plans and coordinates events such as Sober Graduation Night for the LCHS Seniors. Without your contributions and membership donations, PTSO would not be able to exist to provide this assistance.

Please consider joining your Laguna Creek High School PTSO today!
