

Laguna Creek High School will hold its 3rd Bi-Annual Shadow Day from 7:30 a.m. to 3 p.m. on Thursday, January 18, 2018 for prospective students. Students visiting the Laguna Creek campus will be paired with a current 11th or 12th grade student as a "shadow buddy" and accompany them to classes and lunch.

Laguna Creek High School welcomed its first students in the fall of 1994. Located west of Highway 99 in Elk Grove, California, the school offers a variety of academic programs, clubs, activities and sports for students, including: the International Baccalaureate (IB) Program; three career technical education academies (Green Energy Technology Academy, Manufacturing Production Technology Academy and Sports Careers Academy); marching, concert and jazz bands; as well as a host of other clubs and sports.

Laguna Creek High School is the only high school in the Elk Grove Unified School District and one of only five high schools in Sacramento County to offer the prestigious IB program.
