

Laguna Creek High School Parent Teacher Student Organization

Welcome Laguna Creek Families to the 2017-2018 school year!

The PTSO would like to welcome back our returning students and offer a warm welcome to the students who are joining the Cardinal family this year. Our organization is comprised of volunteers that include parents, teachers, and staff members whose focus is to promote and nurture the relationship between home, the classroom, and our community. By supporting the administration and staff we are helping to improve the educational experience our students have here at LCHS. We encourage parents, students, and teachers to attend our meetings and participate with suggestions and ideas. We welcome and appreciate the support from parents, students, staff, and administration. Our meetings are held monthly on the first Thursday of each month inside the Career Center at 6:30 pm – 7:30 pm. The PTSO is an independent 501 c 3 non-profit that works to provide financial and volunteer support throughout our school in both academic and social programs. We encourage parents and teachers to become PTSO members and know with your involvement and support our students thrive. **Again, welcome to Laguna Creek High School, home of the Cardinals!**
