## Welcome to Laguna Creek High School

I would like to welcome you and your student athlete to Laguna Creek High School for the 2018-2019 school year. This newsletter is designed to give you and your student athlete a better understanding of our athletic program.

Becoming a student athlete is a privilege that many students enjoy at Laguna Creek High School. Athletics can be a very positive experience as being a part of a team can create memories that can last a lifetime.

Laguna Creek High School offers 18 varsity sports programs at Laguna Creek. Our athletic program has been very successful on both the field of play and in the classroom. Many of our student-athletes earn academic awards and athletic accolades. If you have any questions feel free to email me at [jussery@egusd.net](mailto:jussery@egusd.net) or leave a voicemail with our athletic office.

Sincerely,

*Jon Ussery*

## LCHS Athletics Build Character

Research indicates a student involved in extracurricular activities has a greater chance of success during adulthood; therefore, our athletic programs have been established to increase the confidence of our students. Many of the character traits needed to be a successful are exactly those that will promote a successful life after high school. We hope that the information provided within this pamphlet makes both you and your child's experience with the Laguna Creek High School athletic program less stressful and more enjoyable.

Go Cardinals!

## LCHS Summer Athletic Programs

At Laguna Creek High School, many of our athletic teams run summer programs which you may want your child to participate in. Using the coaching directory to contact our coaches after June 1<sup>st</sup>, 2018 would be the most effective method of communication to ensure you and your student have all the necessary information about our summer athletic programs.

Summer programs allow new students to become accustomed to high school athletics; form new friendships; and meet our coaches. However, these programs are not mandatory for your student(s) to make an athletic team.

Last year our football, baseball, basketball (Boys/Girls), cross country, volleyball and boys soccer teams had a summer athletic program.

Remember, that high schools athletics is a privilege and that participation in any summer program does not guarantee that your student(s) will make a team during the school year.
