3. Adjustments to 2019-20 LCAP	J. Harman shared that the district has allowed us to fill a Vice Principal position, with Mr. McCullough serving as Interim Vice Principal through the remainder of this school year. He noted that Mr. Craig will formally share the announcement with staff members tomorrow and that the Teacher-in-Charge position will not be backfilled by another individual at this time. As a result of this staffing change, funding has been freed up from 3.2.1 and 4.1.6 for reallocation in the LCAP. Since one to three Chromecarts will be retired this summer, it was proposed that funding be shifted to 1.3.4 to purchase one to two Chromecarts of 36 computers each to replace them for instruction. <i>N. Hill made a motion, it was seconded by R. Haworth, and unanimously passed to approve the LCAP Modification Proposal as presented.</i>
