| 2. Approval of 3-4-20 Minutes | Following a review of the March 4, 2020 Minutes, <i>J. Edom made a motion, N. Hill seconded the motion, and council members unanimously passed to approve the March 4, 2020 Minutes as presented.</i> |
| 3. Share 2020-21 LCAP Draft | A draft of the 2020-21 LCAP was presented to members for review. J. Keyport presented the document with the following recommended changes made to actions under the district’s 4 Strategic Goals: <ul style="list-style-type: none"> ❖ Action 1.1.1 - \$10,000 is being pulled out of LCAP and placed into the General Fund ❖ Action 1.2.2 Staffing to reduce class size in ELA literacy and EL Edge Class |

| | |
|--|---|
| | <ul style="list-style-type: none"> ❖ Action 1.3.2 \$14,000 Purchasing of Chromecart of 36 computers. The district is expecting a 40% loss in working chromebooks following the Distance Learning. ❖ Action 1.3.3 Provide SPED and General Ed. Math collaboration time to meet a minimum of 3 times a year to develop math strategies to serve all populations. After-school math tutoring will be provided for SPED students out of Extended Day budget - \$7,800. The goal is to increase the proficiency for SPED students from 6% - 12%. Through the research process, there will be a review to determine why some CTE Pathway students have been more successful than others and make adjustments where improvement is needed. ❖ Action 2.2.2 was added for Illuminate Software training of all teaching staff. The two staff members who have been trained will train other staff members at no cost. ❖ Actions 2 and 3 changes were related to salary increases ❖ Action 4.1.5 was added for the “Welcoming Schools” Self Audit to formulate a plan for being more welcoming to our community through signage and various languages. There is no cost for this action. <p>It was agreed that the Release time given to teachers through PLC’s on Mondays was sufficient. While the D and F grades issued district wide remain to be of concern, J. Keyport shared that the work that continues to be done by the district’s Math 1 Committee will be beneficial to improving grades. Lack of student engagement, and the feeling of defeat, has been more of a contributing factor over attendance issues. Invitations will be sent out to members for the May meeting, with the final version of the 2020-2021 LCAP to be presented.</p> |
| 4. New Business | There was no New Business for discussion. |
| 5. Adjourn | <i>C. McNerney made a motion, J. Edom seconded the motion, and council members unanimously passed to adjourn the meeting at 7:09 p.m.</i> |
