Sports Psychology	Academic Comp	Cardinal Unity	Music IB	AVID
	Children's Theatre	Exercise Physiology		Art IB

Courses that do not qualify include: Any PE course. Office Aide. TA. Subjects that you are repeating. Any course that you take for a P/NP grade (like Advocacy).

Dear CSF applicant:

Thank you for your interest in CSF. To qualify, you must a) have taken rigorous course work and excelled in it, b) be able to garner at least 10 CSF points in no more than 5 courses, and c) complete the CSF application. To be a sealbearer you must qualify for 4 of 6 eligible semesters (sophomore through senior). To be a 100% member you must complete all 6 eligible semesters. You are also encouraged to participate in CSF activities throughout the year.

This application is for Spring semester, 2017 grades, and is open to juniors and seniors.

CSF not only looks very good on your college application, but can qualify you for scholarships that non-CSF graduates cannot apply for. Plus, you get a special gold stole to wear at graduation if you have at least 4 qualifying semesters, along with a pin and a gold seal for your diploma.

This is the application. Please print neatly so I can read it!

Your name \_\_\_\_\_ ID # \_\_\_\_\_

Grade this year      11      12                      Graduation year \_\_\_\_\_

*(\*note that 9<sup>th</sup> graders are only auxiliary members—9<sup>th</sup> grade year doesn't count toward your 6 semesters)*

Here's where you count up your CSF points. Using the list on the back, write down the classes you took last semester (two terms) and the grades you earned. You must be able to get 10 CSF points from only 5 courses. Three of those 5 courses must be from LISTS 1 and 2. You get 3 points for each A. You get 2 points for each B. Honors, IB, or AP classes get you an extra point for A or B (*to a maximum of 2 points per semester*). If you get any Ds or Fs you are automatically disqualified for this semester.
