- Term 3 Jan. 7-March 12
- Term 4: March 22-May 27

Restart Planning

EGUSD and our partners have worked hard in planning for students to return to campus. EGUSD has communicated a press release that outlines our commitment to return to campus.

We share an interest in providing a safe and fulfilling educational experience for our students. LCHS is committed to providing a thorough process of maintaining a healthy and safe learning environment.

We are developing a comprehensive plan for a return to in-person instruction. The plan includes precise cleaning and sanitization protocols, social distancing, and movement guidelines.

Many of our athletes and musicians have been safely conditioning over the past several weeks. Our coaches and teachers developed and are following strict protocols for these activities. Our students have enjoyed participating in these activities in a safe environment.

I will present restart information and answer questions during the November 5 Breakfast with Benson.

Despite Distance Learning, the staff of LCHS continues to plan for activities, athletics, and events. When we return to school, Laguna Creek High School will be ready and prepared to welcome our Cardinals back to the Nest.

PTSO Information:

LCHS Parent Teacher Student Organization meets on the first Thursday of each month. Please email lchsptso@gmail.com to receive the Zoom information to participate.

LCHS Booster Information

LCHS Boosters need your help. The 2020-2021 school year has begun, and even with Covid your LCHS Boosters Organization is hard at work finding ways to support our Laguna Creek Clubs and Athletics. Once we resume some normal school activities Boosters will be very busy. With each school year we have a change of Booster Board Members, and this year is no different. We need your help to support our Clubs and Athletics with manpower and fund-raising.

Have a student in a club or sport at LCHS? Then help to directly support the activity they love by joining Boosters and fill out the [LCHS Booster Club Interest Form](#).

To learn more about LCHS Boosters visit our website: www.lagunacreekboosters.org
